Thanks, Lars. I was instructed to wait on changing the Wisconsin TSD until we hear back after Scott Pruitt has talked with Scott Walker, so that we are clear on exactly what Wisconsin wants and what we are being directed to do in the final TSD.

In the meantime, I am working on the RTC and OAQPS has been really great. Thanks for your support.

I understand some potential decisions were made with regards to WI and IN and just want you both to know that OAQPS is here to help where we can. I'm happy to talk more on the phone, but perhaps your management has filled you in at this point too.

Kindly,

Lars
